	<p>On February 2, 2023, Eabametoong First Nation Resource Stewardship Advisor noted that Eabametoong First Nation and MFFN must develop a consultation approach through mutual understanding on both the NRL and CAR. It was noted that organizing a Council-to-Council meeting has been difficult with the most recent January 2023 meeting being postponed, and alternative dates to meet were requested. It was noted that the MFFN CAR Project Team understands and respects Eabametoong First Nation's request to develop an engagement protocol with MFFN before proceeding with consultation on the CAR. The MFFN CAR Project Team is committed to planning a Council-to-Council meeting between Eabametoong First Nation and MFFN to develop an agreed upon and respectful engagement protocol. It was also noted that over the past several years, both communities have been trying to create an approach for engaging on the CAR and the team has been hopeful to build off the positive community meeting held in Eabametoong First Nation in 2019, during the ToR phase. However, following that time we did not receive much response from Eabametoong First Nation on correspondence sent to the community until in September 2021, when Eabametoong First Nation elected new leadership. We were very pleased that Eabametoong First Nation expressed interest in working closely with MFFN to develop a protocol to guide the relationship. Through the fall of 2021, both communities noted the COVID-19 pandemic as an obstacle for meeting in person. MFFN was hoping to schedule a teleconference in place of an in-person meeting but was unsuccessful in doing so. We had a meeting scheduled in April</p>

Additional efforts to re-schedule were coordinated by the MFFN CAR Project Director and Eabametoong First Nation's consultant in the summer and fall of 2022. MFFN also faced a tragic incident and it was with regret that the January 11, 2023 and subsequent February 16 2023, meetings were also postponed.</p> <ul style="list-style-type: none"> ■ In April 2023, The MFFN CAR Project Team received an email from Eabametoong First Nation regarding a meeting in May with MFFN Leadership as a Nation-to-Nation meeting. The meeting was not considered consultation for the CAR, therefore, meeting specifics are not documented in the Record of Consultation and Engagement. ■ On March 26, 2024 the MFFN CAR Project Team emailed Eabametoong First Nation to scheduling a follow-up meeting with Chief and Council. <p>Action: Support MFFN Leadership, as needed, to develop a Relationship Protocol specific to the CAR and Eabametoong First Nation</p>
